

Refractive Music Guitar Tuition Agreement West Rolleston School

This agreement is between Refractive Music and the student and parent/guardian. It is to ensure that you get the most out of your guitar lessons with the quickest possible growth, and you clearly understand the student-teacher relationship. Please read it carefully, it is to be signed by both the student and parent/guardian.

- For you to get the best possible results out of your lessons you need to practice every day. As with any instrument *practice is essential for progress*. There is no set time limit for practice, it is very individual, but as a guide 10 - 30 minutes a day would be advised. It is the responsibility of the student and parent/guardian to ensure daily practice.
- Lessons are 20 minutes in length at a fee of \$16 per lesson. Please remember to bring your guitar and music.
- Lessons are held on Fridays, but sometimes they may need to be moved to another day due to a clash with other school activities. If I need to reschedule I will send you an email to let you know.
- Accounts are sent out during the term and are payable within 10 days of receipt. Each term's account will be based on the number of lessons that are planned for that term which may vary from term to term.
- If your child is ill or will not be at school for another reason if possible the lesson may be rescheduled or carried forward to a later date. If not, there will be no refund for missed lessons.
