

Message from the Principal

Today Constable Rick has been providing some refresher road patrol training for our senior road patrollers and staff. Please continue to support our kea crossing by using this crossing safely with your children. It is pleasing to see children wearing safety vests and helmets to school, we need to increase those numbers please.

Yesterday Mr Pete Northmore organised our Year 5-8 swimming sports. Thanks to the parents who were able to help run this event. It was great to see the positive GROW attitude demonstrated by our learners whether it was in the competitive or the fun events. Well done to those children who will be representing our school in the zone swimming events.

This week I would like to do a **shout out** to our amazing teaching assistants, Kirsten, Dena and Sarah. They provide invaluable support to our teachers and our learners, often supporting individuals and small groups to access the curriculum.

Thank you for the responses to the reporting to parents survey I sent out last week which I have closed today. It will take us some time to analyse the data but for now it is business as usual. We will still report against the National Standards in reading, writing and maths but it is great to read that the range of samples being shared in line across all of the learning areas is appreciated and valued.

Next week we have our Foster Park community on Friday - we hope you can make it to either parent help or come for lunch!

Sylvia

School Policies

This term we have our school policy on Home Learning up for review. Please follow the instructions below to have your say.

1. Visit the website <http://westrolleston.schoolsdocs.co.nz/1893.htm>
2. Enter the username (westrolleston) and password (West).
3. Follow the link to the relevant policy as listed.
4. Read the policy.
5. Click the Policy Review button at the top right-hand corner of the page.
6. Select the reviewer type "Parent".
7. Enter your name (optional).
8. Submit your ratings and comments.

Year 8 2018 School Based Vaccination Programme

We are pleased to inform you the Canterbury DHB will continue to offer a School Based Vaccination Programme to Year 8 boys and girls, who have not completed their eleven year old vaccinations in General Practice.

The School Based Vaccination programme will offer the two dose HPV vaccinations to protect against genital warts, cervical cancer, throat and mouth cancers, and other types of cancers later in life. In 2018 the programme has been extended to include a one dose Boostrix vaccination to provide protection against Tetanus, Diphtheria and Whooping Cough.

To enable students to receive the vaccinations at school, a vaccination pack will be sent home in Term 1. Parent/Caregiver will need to complete and return the consent form to school.

If you would like your child's hat embroidered please contact Ann on

027 421 4270 or 3474535.

\$10 per hat.
