

Message from the Principal

There is much anticipation regarding the picnic tomorrow at Foster Park. If the weather forecast is not suitable the picnic will be cancelled. The Year 5-8s will still go swimming at the aquatic centre [although they still require parent helpers please]. Please look out for a facebook and email update at 7.30am.

As part of our positive behaviour plan our learners have filled wish jar #2. This is achieved for great behaviour at morning tea and lunch-time: following our kowhai rules. Wish Jar#2 is a movie and popcorn at school. If Foster Park is cancelled this will happen tomorrow, otherwise it will be on Monday.

It was exciting to be able to launch our Year 5-8 leadership groups this week. Thank you and well done to all of our senior learners who applied for a role. I have the pleasure of working with the Ambassadors each week. Congratulations to Zavier, Aimee, Keith, Jewel, Yana, Heath, Tamzin and Cloe. Thanks to the ambassadors who are running a wee coin trail in the morning.

Finally, thanks to our Board of Trustees who have spent many hours analysing feedback from our school review in 2017 and developing our strategic plan for the next three years. Our strategic areas continue to be well-being/hauora, learning, cultural responsiveness, partnerships and we have introduced a new strategic focus on the environment. The Board will present some detail in next week's newsletter.
